

BIRCH SAP –

the traditions and values cultivated for centuries to strengthen immune system and health.

FORESTS –

cover about 52% of the territory of Latvia, ranking it among the world's greenest countries.

VENTAS RUMBA –

the widest waterfall in Europe (249 m).

FOUR SEASONS –

an opportunity to see four different faces of Latvia within a year.

ADMIRABLE

NATURE OF LATVIA

KOLKASRAGS –

a meeting spot of the open sea and the bay.

GAUJA NATIONAL PARK –

Contains two-thirds of the caves known in Latvia, including Gūtmaņala - the highest cave and the largest grotto in the Baltics.

ĶEMERI NATIONAL PARK –

located only 50km from Riga. It is a great place to get to know the pristine marsh ecosystem.

POKAINĪ FOREST –

an ancient holy site, famous for its energy and unusual stone piles.

THE BALTIC SEA –

the latest, the sweetest and the shallowest sea in the world that prides itself on one of its greatest assets – amber.

MUSHROOMING / BERRY PICKING –

Latvian green tourism when people escape into nature, going to the forest or swamp to collect natural riches.

GOLDEN AUTUMN IN SIGULDA –

allurements of coloured leaves in the Gauja ancient valley.
